T&M REWARDS PROMOTION

SURETRACE™ CIRCUIT TRACER KIT OPTIONS AND PARTS

Receiver: RC-959 or RC-955

Provides a numeric value and variable pitch that increases as the signal becomes stronger on the wires being traced or breakers being identified.

Transmitter: TR-955

Sends a 32 kHz, fixed amplitude time-modulated signal onto the circuit to be traced, which then induces an electromagnetic field onto the circuit. Will work on a de-energized circuit and won't affect GFCIs and sensitive equipment on an energized circuit.

Inductive Clamp: IC-958

1" jaw opening with a powerful coil that induces a low voltage signal onto the cable without affecting the low voltage signals on the circuit.

Battery Pack & Strap: BP-958

Provides power for the inductive clamp and attaches to the inductive clamp with a 6" cord.

Tracer Test Lead Set: TL-956

Complete test lead kit includes:

- TLOP-956 Outlet plug adapter
- TLBP-956 (2) blade prongs
- TLGP-956 ground prong
- TLAC-956 (2) alligator clips
- TLA1-956 (2) 3' lead adapters
- TLA2-956 25' lead adapter

Cradle: CR-959*

Threaded to use on standard extension pole. Compatible with receivers for all kits.

*Accessory not included with kits.

IMPORTANT: This tracer is intended for use by qualified electricians. Follow NFPA 70E Standard for Electrical Safety in the Workplace when using this tester. Always consult the instruction manual provided with the tester for operational limitations and procedures associated with a specific tester.

      							2-Year Limited Warranty on all kits.

Terms and Conditions:

This offer is valid for mailing addresses in the United States and Canada only. This offer is an end-consumer rebate offer, not available to dealers, distributors, retailers, or manufacturers' representatives individual or stocking orders. CANNOT BE COMBINED WITH ANY OTHER REBATE OFFER – PURCHASE RECEIPT CAN ONLY BE CLAIMED ONCE FOR EACH QUALIFYING PRODUCT PURCHASED. Offer valid on the purchase of specified product(s) at specified Electrical Distribution Retailers (in branch or websites only). See list on website for details. Returned products are not eligible for a rebate. Offer limited to end-users only and rebate rights cannot be transferred. This offer is void where taxed, restricted, or prohibited by law. Receipts must be submitted within 30 days of the end date of the promotional period using the on-line claim form found at <http://idealrebateprogram.com>. Product(s) will be mailed within 4–6 weeks of complying with and properly completing the rebate submission requirements. If you have not received your product(s) after 6 weeks or have questions about your rebate, call 855-886-5175, Monday–Friday, between 8:00 AM and 4:15 PM MST; or email us at idealrebates@acbcop.com. To check the status of your rebate, visit idealrebateprogram.com.

Valid through September 30, 2022.
